Sergeant Steele and Captain Pendrak,

Linda Ridge asked me to forward this email string to you FYI.

Mr. Hupy is a frequent courthouse flyer and apparently (per his email below) intends to attend the KCBA Family Law Section lunch meeting tomorrow at noon in our Presiding Courtroom (E942).

It also appears that Mr. Hupy sent his email to Sheriff Urquhart.

I forwarded his e-mail to the chair of the Family Bar Section. Tomorrow's meeting is completely social, with an effort to raise money and other donations for CASA and Kid's Closet. I am considering, but you will be relieved to know will probably resist the temptation, sending Mr. Hupy a copy of the CASA and Kid's Closet wish list.

Susan Carroll, the Chair, said they consider the meetings to be private and henceforth maybe by membership or invitation only. I speculated that the Court may have a problem making space available for them then. She understood, I think.

Chief Presiding Judge Craighead and Chief UFC Judge Palmer Robinson,

I wish to notify you of my planned attendance at tomorrow's KCBA Family Law Section "lunch meeting", along with me will be between 2-5 additional attendees. Seating is requested but if none are available standing room will be acceptable.

As the King County Superior Courthouse is a Public Building and as someone at the Court (presumably Craighead) has authorized the diversion of Public funds/credit by allowing it's use to a private entity (KCBA) and non BAR members regularly attend these meetings, I will be attending under the provisions of the Washington State Constitution, OPMA, and/or any other applicable Statutory and/or Common/Case Law and/or other applicable authority.

A response is requested prior to the start of this meeting, **in the event no timely response is provided by the Chief Presiding Judge it will be deemed the same as a invitation to attend said meeting presently and all future meetings.**

I have included some of the Court Administration and Courthouse Security (King County Sheriff) on this notice as well, I will further communicate with the King County Sheriff's Office to educate Constitutional authority, Statutory authority, and Case/Common Law authority which allows public attendance to this meeting.

With all respect due,

Christopher J. Hupy
