EDUCATION

Master of Science, Psychology, 1978, Western Washington University, Bellingham, Washington.

Bachelor of Arts, Psychology, 1972, Whitman College, Walla Walla, Washington.

CERTIFICATIONS

Licensed Mental Health Counselor, State of Washington.

Certified Domestic Violence Batterer's Program, Supervisor level, State of Washington.

Approved as a trainer in Domestic Violence Batterer's Intervention Training, State of Washington by Washington Association of Domestic Violence Perpetrator Intervention Professionals.

EMPLOYMENT HISTORY

October, 1998 to current Director, Doug Bartholomew and Associates Inc. A state certified domestic violence perpetrator intervention program and family violence clinic addressing the field of family abuse as therapists, educators, and related forms of intervention.

September, 1990 to current: Private Practice Therapist, Bellevue WA. Specializing in problems of adult adjustment, relationships, anger, violence, family violence, and hostility in addition to a general caseload. In addition to direct service duties include evaluations, consultations, supervision of staff and programs and professional training. Coordinating a faculty of continuing education professionals and trainers.

June, 1999 to February, 2000, President of the Board, The Family Abuse Center, a private, non-profit corporation sponsoring creative development of ways to research and develop methods of addressing all forms of family abuse in community settings.

February, 1995 to October, 1995; President, Bartholomew/Coastal Treatment Center. Kent, WA. Developed and administered a dual-focus treatment program offering concurrent domestic violence and substance abuse treatment.

September, 1990 to June, 1994; Faculty, Bellevue Community College Department of Alcohol Studies, teaching and consulting on the subjects of anger and violence.

- October, 1988 to June, 1996; **Trainer**, Washington State Criminal Justice Training Center, Seattle WA. Lead training groups for police officers, corrections officers, and parole/probation officers in the fields of anger, violence and family/domestic violence.
- May, 1985 to present; **Private consultation**, Bellevue and Kirkland Washington. Provide training workshops, consultation and program development and management services to numerous mental health centers, special interest groups, individual therapists and community groups. A list of such services and references are available upon request.
- August, 1982 to August, 1990; **Manager, Behavioral Responsibility Program**, Eastside Mental Health (now Mentor Health), Bellevue, Washington. Duties include creating, developing and managing the department which treats family violence offenders, violent offenders who have committed non-family assaults and other criminal offenders; providing direct group, individual, family and marital therapy and psycho educational classes; hiring and supervising a staff of up to six professional staff and one support staff.
- January, 1989 to May, 1991; **Professional Consultant, Family Violence Program**, Family Counseling Services Inc. of Snohomish County, Lynnwood, Washington. Contracted to develop, market and implement the family violence program, train and supervise staff, establish office procedures and case flow and provide direct individual and group therapy.
- April, 1979 to September, 1984, **Staff therapist, contractor**, Family Counseling Services Inc. of Snohomish County, Lynnwood, Washington. Part time position providing individual and marital therapy on a contract basis.
- January, 1979 to July, 1982, **Assistant Director, Day Treatment Program**, Mental Health Services of Snohomish County, Inc., Everett, Washington. Duties included group, individual and family therapy and psycho educational classes to a chronically mentally ill population, staff supervision and light administrative duties.
- October, 1975 to January, 1979, **Staff therapist/County Designated Mental Health Professional**, Lewis County Mental Health Center, Chehalis, Washington. Duties included carrying a full caseload of individual, marital and family therapy as well as being on-call CDMHP to perform emergency evaluations and hospitalizations, inpatient care and discharge planning.
