Dear Ms. Staiger,

The purpose of this letter is to respond to your request for an expert review of case number 2011-154410, and to opine on whether Douglas Bartholomew, M.S., LMHC had behavior below the standard of practice on this case.

In my opinion, the 'Order of Protection Risk Assessment' report Mr. Bartholomew prepared at the request of the court was unprofessional in structure, tone, and language. Additionally, in my opinion, Mr. Bartholomew's assessment was biased toward finding domestic violence in favor of the allegations by the complainant's former spouse. Therapist professional bias is harmful to a client.

The NBCC Code of Ethics states:

Section B, Number 1, 'the primary obligation of certified counselors is to respect the integrity and promote the welfare of clients'

Section B, Number 12 'Counselors have a through awareness of the impact of stereotyping and unwarranted discrimination. Certified counselors guard the individual rights and the personal dignity of the client in the counseling relationship'

Mr. Bartholomew's assessment is below the standard of professional mental health care practice. A biased report such as Mr. Bartholomew's can harm a client by casting unsubstantiated aspersions on a client's behaviors or character structure, which produces unnecessary anxiety for the client as well as anxiety, time and expense for all parties involved in any divorce or custody process.

Mr. Bartholomew's unrepentant attitude in the deposition when confronted about the mistakes/unprofessional judgments in his assessment is also of concern. Mr. Bartholomew minimized the structural and clinical mistakes in his assessment when they were pointed out. Mr. Bartholomew was defensive, making light of his lack of proofreading and incomprehensible sentence structures. Mr. Bartholomew did not appear to give any credit to the fact that his mistakes, both clinical and in the structure of his report, could have a harmful effect on the complainant. In my opinion, Doug Bartholomew's overly strident bias towards domestic violence in his assessment and Mr. Bartholomew's insensitive attitude was unprofessional and did harm the complainant.

Mr. Bartholomew's 'Order of Risk Assessment' is poorly written, sloppy and inconsistent. The following are some specific examples of unprofessional behavior.

- Judge Michael Fox, who did not accept Mr. Bartholomew's assessment, stated 'in 22 years on the bench I have never received a report such as this' the report had grammar, spelling and content errors that were below the standard of practice.
- The complainant stated Mr. Bartholomew appeared distracted, made mistakes, and did not remember things the complainant told him from one interview to the next. (See complaint)
- Mr. Bartholomew's report showed unprofessional bias in a number of ways:
 1. He stated his information gathering was based on 4-5 hours of contact with Complainant in person and 1.5 hours of contact with complainant's ex spouse by telephone. P287 deposition. The justification for his disparity in the quality of information gathering from the complainant and his ex-spouse was 'I really don't keep track of time'.
 2. Mr. Bartholomew stated in the assessment 'this couple should not be married'. P 144
 3. An example of the biased language and unprofessional attitude used in the assessment, Mr. Bartholomew stated (p22)'Tom's life experience, according to him have simply not included those experiences which lead a person to patience, compassion, empathy and good boundaries. Unfortunately, in my discussions with him, he shown little or no interest in rectifying his shortcoming.'
 4. Mr. Bartholomew used unprofessional attitude and unprofessional language in his dismissal of collateral contact information from the complainant's former marriage counselor (with whom the complainant worked for two years and individual therapist with whom the complainant worked for five months) as 'bait and switch' information p146.
 5. Mr. Bartholomew stated in the record (deposition) that he always finds domestic violence when he does an assessment. He stated the physical abuse incidents reported by the complainant's ex wife were the 'tip of the iceberg'.
 6. Mr. Bartholomew misquoted complainant and applied some of complainant's ex-spouse's statements to complainant in the assessment report. P80
 7. Mr. Bartholomew left out part of the intake information for the complainant on information supplied to the court. P187
 8. Mr. Bartholomew's assessment included statements that complainant used money to control his ex spouse with bank transfers. It was later declared that the bank transfer(s) were done on the advise of his attorney as part of the divorce process. P176

9. Much of Mr. Bartholomew's notes from the assessment are incomplete, sloppy/unintelligible and incomprehensible.
- Roland Maiuro, Ph.D., was contacted for a second opinion assessment. Dr. Maiuro had a very different opinion about the nature of the domestic abuse allegations. Dr. Maiuro's assessment stated that the physical abuse allegations are inconclusive and that the alleged physical abuse incidents were atypical of Domestic Violence behavior patterns. Dr. Maiuro recommended the complainant finish the Domestic Violence class because Dr. Maiuro's assessment showed there was some evidence of psychological controlling behavior on the part of the complainant towards his ex-spouse. Below are some of the comments Dr. Maiuro had about Mr. Bartholomew's assessment.
 1. 'The prior evaluator's conceptual framework for making decisions/findings in favor of domestic violence and abuse (personality profile) is internally inconsistent, somewhat idiosyncratic and not supported in the literature' p 855
 2. Dr. Maiuro states that he disagrees with Mr. Bartholomew's assessment that the domestic abuse allegations are 'the tip of the iceberg' Dr. Maiuro stated these allegations 'are the iceberg', with inconclusive evidence any physical domestic violence occurred.
 3. Dr. Maiuro whose assessment took balanced time with both complainant and complainant's ex spouse stated "Tom underreports events and Irene over reports/embellishes to make a case for her wants and needs.' P856

Harriet Cannon, M.C., LMFT, LMHC

RE: **Harassment**

Dear Ms. Bartholomew:

Thank you for your July 2nd e-mail to the Office of the Attorney General in which you request assistance to stop an individual who you believe has been harassing you and your family. I am an assistant attorney general who represents the Washington State Department of Health Counselors Program. In that capacity, I was asked to respond to your email.

In your email, you stated that an individual named Chris Hupy has been harassing you and your family. You further stated that you are currently trying to obtain an anti-harassment order through the Monroe court system against Mr. Hupy. Perhaps you already have this information, but in case you did not, Chapter 10.14 RCW is the governing statute for anti-harassment protection orders. RCW 10.14.080 describes the process by which you can obtain an anti-harassment order and that statutory provision states in relevant part:

(1) Upon filing a petition for a civil anti-harassment protection order under this chapter, the petitioner may obtain an ex parte temporary anti-harassment protection order. An ex parte temporary anti-harassment protection order may be granted with or without notice upon the filing of an affidavit which, to the satisfaction of the court, shows reasonable proof of unlawful harassment of the petitioner by the respondent and that great or irreparable harm will result to the petitioner if the temporary anti-harassment protection order is not granted.

(2) An ex parte temporary anti-harassment protection order shall be effective for a fixed period not to exceed fourteen days or twenty-four days if the court has permitted service by publication under RCW 10.14.085. The ex parte order may be reissued. A full hearing, as provided in this chapter, shall be set for not later than fourteen days from the issuance of the temporary order or not later than twenty-four days if service by publication is permitted. Except as provided in RCW 10.14.070 and 10.14.085, the respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing. The ex parte order and notice of hearing shall

include at a minimum the date and time of the hearing set by the court to determine if the temporary order should be made effective for one year or more, and notice that if the respondent should fail to appear or otherwise not respond, an order for protection will be issued against the respondent pursuant to the provisions of this chapter, for a minimum of one year from the date of the hearing. The notice shall also include a brief statement of the provisions of the ex parte order and notify the respondent that a copy of the ex parte order and notice of hearing has been filed with the clerk of the court.

(3) At the hearing, if the court finds by a preponderance of the evidence that unlawful harassment exists, a civil anti-harassment protection order shall issue prohibiting such unlawful harassment.

Linda,

Since this is a counselor case, this CCTN should be assigned to Linh; however, due to the nature of the correspondence, I am also cc'ing Lilia, as this response requires some delicate balancing of tone, particularly since I do not see a way for our office to get involved in this situation.

Subject:	Harrassment		
Message:	<p>Mr. Ferguson; my husband and I voted for you. We believe in your message and now need your help. My husband, Doug Bartholomew M.S., is a master level therapist in Bellevue and has practiced specializing in domestic violence treatment for 25 years. He helped lobbied and adopted the d.v. laws currently in place in our state to protect women and children and has worked with victims groups and CPS for years. My husband has a stellar reputation and has been the senior spokesman for the d.v. field and the "go to" guy for judges and the courts. He has earned great respect and is known to take the really "hard" cases. For the past 4 years he and our family have been terrorized by a former client of his named Chris Hupy. Mr. Hupy has managed to basically bring down the whole d.v. field by intimidating, threatening, lying, and bullying his way through the Health and Licensing Department wasting thousands of tax payers dollars under the guise of freedom of speech and the freedom of information act which has paralyzed the department with his request. He has bullied his way into private meetings like the Gold Standards Group for therapists disrupting and finally forcing the disbandment of the meetings for good. He began a smear campaign against my husband and his reputation and has harassed and stalked him for the past 4 years through the three alledged non profits. He has had contacted my husbands ex-wife and showed up at our bankrupcy hearing even though he was not a listed creditor and he and entourage caused a scene in front of the building we were in. Anyone who stands in this mans way from judges, attorneys, therapist, abused women, or state officials are bombarded with complaints which has clogged many agencies who end up working for Chris Hupy. He has forced my husband to abandon the field that he loved in d.v. and begin a new venue in his career as our</p>		

income dropped dramatically due to the controversy that Mr. Hupy was able to generate. My husband has been questioned by potential clients because of the internet propaganda that Mr. Hupy posts, again, under the guise of freedom of speech. Because of the incident at the bankruptcy hearing, I am now afraid and feel threatened personally by this man and his associations . He has posted my name and has asked about one of my autistic children by name. (We have two adult special needs children at home with us). I have had to explain to my daughter not to answer the door and to report anything suspicious to my husband or I, though I am not sure if she will or can. I am now forced to work to make ends meet. Our whole family is at risk and being terrorized. Everyone seems to be so concerned about Mr. Hupy's rights but no one recognized OUR right to privacy. Ask any judge, court, attorney or colleague of my husbands and they will tell you what kind of reputation he enjoyed before all of this or they will tell you THEY are being harassed to. No one can seem to stop this man or his "hate groups". I look over my shoulder constantly when out with my family and look out my window for suspicious cars or stangers lurking. No one should have to live this way. My husbands health has been compromised and at 63 years old is trying to change his livelihood as the breadwinner of our family. I have had to take medicine for depression and sleep. It has made our lives a living hell. Why is no one able to stop this man or his hate groups? We don't have the income to hire an attorney and sue him for slander and torcious interference, (sp). This has caused considerable damage for not only my husband but has all but taken down the entire d.v. field. Even the state attornies at the Health and Licensing Dept. won't or can't contain this individual. Chris Hupy has exploited his freedom of speech and rights to the point of taking everyone elses rights away. Please, please please help. No one else has the authority to investigate or do what they can to allieviate this problem. We are currently trying to get an anti harrassment order through the Monroe court system and again, Mr. Hupy showed up threatening discovery, hour long cross examines, and depositions. He purjored himself on the stand and has been accused by another judge of "practicing law without a license". Please, I am begging, for your intervention. Our family is under seige and I am distraught. It should have never come to this. I am anxious to hear from you and your response. I am counting on you. Thank you.

Sincerely,

Kathy Benardout-Bartholomew

Attached are two lists published by the DSHS and presumably authored by Maureen Kelly, absent from these lists is the name Doug Bartholomew and Associates, Inc and/or Doug Bartholomew LMHC and/or any other name he and/or the Corporation has used.

Is Doug Bartholomew and Associates, Inc. (and/or any other aliases used by that firm or Doug Bartholomew) currently Certified by the DSHS to provide Domestic Violence Perpetrator Treatment?

This is a straight forward question by a "shareholder" I do not wish to engage in a lengthy and time consuming PDR campaign to get the simple answer.

Subject: RE: DVPT Certification status for Doug Bartholomew and Associates, Inc.

DSHS certifies programs and issues the certification to the program itself. We don't issue an individual credential (for example, "DV Treatment professional".)

The certification is based, in part, on the requirement that all direct treatment staff meet the minimum qualifications, and DSHS has approved them.

Mr. Hupy originally asked if the DVPT program known as Doug Bartholomew and Associates was currently certified; I replied that it is not.

He then asked if Mr. Bartholomew is working as approved staff in someone else's program or was providing services under a "new" program name that is different from Doug Bartholomew and Associates. Either way, DSHS would still have had to approve him to do so

My statement "Doug Bartholomew is not authorized direct treatment staff at a currently certified domestic violence perpetrator treatment program" covers both of these requests. It notified Mr. Hupy that Mr. Bartholomew is not listed as staff for any program currently certified.

Maureen,

While your first reply could and most likely would have been interpreted as rude by the average "stakeholder" it was clear and concise, but now you leave me with a question as to his status.

Is he listed as staff at another DVPT or is he certified under another business name at present?

Simple yes/no response is requested.

Re: Request for prosecution

Dear Mr. Hupy:

This is in response to your email of September 12, 2014, asking our office to pursue action against various judges and state agencies. I have reviewed your email, and to the extent that you may be asking this office to bring suit against a judge or agency, I respectfully decline.

We consider litigation at the request of taxpayers to be appropriate where the action we are asked to challenge is clearly contrary to law, the litigation ultimately would benefit taxpayers in their capacity as taxpayers, and the potential recovery likely exceeds the cost to taxpayers of bringing the action. Based upon the information provided, I cannot conclude that these criteria are met.

To the extent your request is made as a prerequisite to asserting taxpayer standing, please understand that this letter expresses no view as to whether the requirements for taxpayer standing would be met.

Sincerely,

Re: Your Use of the Name "Superior Court Judge's Association"

Dear Mr. Hupy:

I write on behalf of the Superior Court Judges' Association (SCJA) in response to your email of December 20, 2012. I understand, based upon your email, that you have registered a trade name in the name of the SCJA, identifying it as a sole proprietorship. I also understand that you operate a Website at <http://superiorcourtjudgesassociation.com/>, using the name of the SCJA, and that you have made at least one public records request in the name of the SCJA.

Your email demonstrates that you are misinformed regarding the nature of the rights you claim to have acquired to the name of the bona fide SCJA. The purpose of trade name registration is for the public to identify the principles behind a particular business; registration does not grant you the right to use the name or to deny others the right to the use of the name, particularly when another organization's use of the name predates your own. Your registration of the trade name "Superior Court Judges' Association" and variations upon that name neither gives you the right to prevent the bona fide SCJA from using its name, nor does it grant you any rights to the bona fide SCJA in the use of the name.

Contrary to your assertion, the SCJA has a right to the name because it has acquired this right through years of use. Records show that the name "Superior Court Judge's Association" has been in continuous use by the bona fide SCJA dating back to at least the 1950's. The name "Superior Court Judges' Association" and the acronym "SCJA" is now and has for some time been recognized by the superior court judges and others in the legal community as representing the legitimate and legal association of superior court judges, as established by chapter 2.16 RCW. This provides the SCJA with a common law right in the name that predates your recent claim by several decades.

The SCJA shall continue to use its name, as it has every right to do. This letter places you upon notice that your claim to the right to the use of the name is deficient, and inferior to that of the

COMPLAINT AND AFFIDAVIT IN
SUPPORT OF

Comes now the Plaintiff, CHRISTOPHER J. HUPY, making the following complaint(s) under the Washington Public Records Act, does hereby allege and avers as follows.

I. PARTIES

1. I, Christopher J. Hupy am an individual residing in the City of Mill Creek, in Snohomish County Washington State, and the Plaintiff herein and affected party. I make this declaration upon personal knowledge, and am otherwise competent to testify to the matters stated herein.
2. Defendant, The State of Washington Department of Social and Health Services is an

1 Agency of the State of Washington, and at all times material to this action, charged
2 with the responsibility to protect/safeguard, respond to, produce and/or make available
3 for inspection all records as defined and/or declared by the Washington Public
4 Records Act as codified in RCW (Revised Code of Washington) 42.56.

5
6 **II. JURISDICTION AND VENUE**

- 7 3. This Court has Jurisdiction to review disputes arising out of Public Disclosure Act
8 requests pursuant to RCW 42.56.550
9 4. Proper Venue lies in this Court pursuant to RCW 4.92.090(5)

10 **III. FACTS**

- 11 5. On January 25th, 2011 at 9:48pm, I, Christopher J. Hupy, sent via electronic means
12 (email) a Public Disclosure Act request for records to the Department of Social and
13 Health Services (DSHS), a true and correct copy attached as Appendix A. In this
14 request I itemized 2 unique subject matter requests. Subject matter ONE sought
15 records concerning communications and other additional document concerning the
16 supervision and complaint investigation protocols concerning the Domestic Violence
17 Treatment Provider Certification Complaint Investigative policies and procedures
18 specifically "DV Perpetrator Certification Complaint Protocol" documents. Subject
19 matter TWO sought records concerning the Washington Open Public Meetings Act.
20 This request was made with a reasonable amount of specificity and was manageable
21 in scope and volume. I requested records from a set approximate time frame of
January 18th, 2010 dealing with a single specific assignment.
6. On or about February 4th, 2011 I received, via United State Postal Service a letter
from DSHS Public Disclosure Coordinator Barbara J McPherson, a true and correct

1 copy attached as Appendix B, dated February 2nd, 2011. In this letter she
2 acknowledged receipt of my request; that the request was made pursuant to RCW
3 42.56; provided a response to my requested item number two indicating that the
4 DSHS per RCW 42.30 is not subject to the Open Public Meetings Act and as such no
5 responsive documents existed; and provided a delivery date for responsive records,
6 "...within 130 Business days under RCW 42.56." this response is commonly referred
7 to as a "5 Day Letter". Agency response letter was professional and courteous in
8 construction.

- 9 7. On or about April 22nd, 2013 I received a package via the United State Postal Service
10 (USPS), a true and correct scanned image of original mailing package attached as
11 Appendix C, contained in the parcel was a single page letter dated April 17th, 2013
12 signed by DSHS employee Barbara J. McPherson, a true and correct copy attached as
13 Appendix D, in this letter McPherson acknowledged responsive documents were
14 provided under RCW 42.56 and identifying the agency assigned "tracking number" of
15 ARRTS 201101-PRR-578, and further states in part "This completes our response to
16 your request." In addition to this letter the parcel contained approximately 48 pages of
17 responsive documents to the single remaining subject matter requested. Responsive
18 letter was professional and courteous in construction.

18 **IV. FIRST CAUSE OF ACTION**

- 19 8. The records requested are "Public Records" as defined in RCW 42.56.010, they are
20 not exempt from disclosure under the Public Records Act.
- 21 9. The Records requested were not promptly produced and/or made available for
inspection in violation of RCW 42.56, further that the agency improperly withheld
documents for an unreasonable amount of time.

1
2 10. The agencies original requested response time of "100 Business days" was
unreasonable in violation of RCW 42.56.

3 11. It is my reasonable belief that the agency failed to provide full and complete
4 disclosure of records in violation of RCW 42.56 and through the pre-trial discovery
5 process additional records will be uncovered.

6 12. It is my reasonable belief that the Agency, DSHS, has violated RCW 42.56.080 and
7 has distinguished myself from other requestors of public records, through pretrial
8 discovery this claim shall be substantiated.

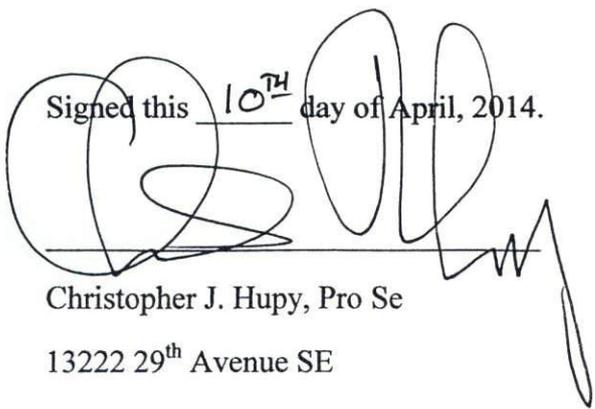

9 **V. RELIEF REQUESTED**

10 Plaintiff, Christopher J. Hupy, hereby requests that the Court grant the following
11 relief:

- 12 1. That the State of Washington, Department of Social and Health Services be
13 ordered to Show Cause why it failed to produce the records request by plaintiff,
14 myself.
- 15 2. That the State of Washington Department of Social and Health Services be
16 ordered to produce any and all withheld records it failed to produce.
- 17 3. That pursuant to RCW 42.56.550(4), the State of Washington Department of
18 Social and Health Services be ordered to pay statutory penalties up to \$100 per
19 record for each day that the plaintiff, Christopher J. Hupy, was denied the
20 opportunity to view the records he lawfully requested.
- 21 4. That I be awarded all costs, including reasonable attorney fee's and/or unbundled
Legal Services fee's, as required by RCW 42.56.550(4).
5. That the Court grant such other relief as may be just and equitable.

1 Signed this 10TH day of April, 2014.

Your attached request for disclosure was received by email on December 9, 2010.

Denise Revels Robinson's documents and email will be searched for responsive records, and we will search for existing directives, policies or procedures that relate to DVTP staff responsibilities and the conduct of investigations.

However, in order to narrow our search for documents for Number 3 of your request, I will need you to list the employees who you believe may have authored documents related to Doug Bartholomew's recertification. These would appear to be only DSHS staff involved with DVPT programs.

Existing documents for this request will be retrieved and reviewed. Disclosable information is expected to be available to you within 100 business days under RCW 42.56.

Your attached request for disclosure was received by email on December 9, 2010.

Denise Revels Robinson's documents and email will be searched for responsive records, and we will search for existing directives, policies or procedures that relate to DVTP staff responsibilities and the conduct of investigations.

However, in order to narrow our search for documents for Number 3 of your request, I will need you to list

the employees who you believe may have authored documents related to Doug Bartholomew's recertification. These would appear to be only DSHS staff involved with DVPT programs.

Existing documents for this request will be retrieved and reviewed. Disclosable information is expected to be available to you within 100 business days under RCW 42.56.

Please let me know if you have any questions.

Re: ARRTS 201012-PRR-297/Revels Robinson Email/Policies/Bartholomew Recertification

Dear Mr. Hupy:

Documents are enclosed under RCW 42.56 in response to your request for the following:

- Any and all documents between Denise Revels Robinson of any kind that reference Hupy, Bartholomew, DVPT, Calvillo or Maureen Kelly.

The contents of Denise Revels Robinson's email account was searched and no email was located that matched these search terms. A copy of the IT search report is enclosed.

- Any policy, directive, memo or other document that an employee would rely on in the administration of their job duties relating to any aspect of a DVPT Investigation.

The department's Administrative Policy No. 8.11 that addresses Complaint Resolution and Response Standards and Chapter 388-60 WAC that addresses Domestic Violence Perpetrator Treatment Program Standards are enclosed in regard to conducting investigations.

- Any document which relates to the re-issuance of certification to Doug Bartholomew and Associates that was authored by any person other than Maureen Kelly and/or Meri Waterhouse.

Because I did not have a list of persons who may have been involved with this, Maureen Kelly searched her files for documents that addressed Bartholomew's recertification. The entire set of documents that she provided to me is enclosed here and includes many duplicate copies. Information that is exempt from disclosure has been redacted for the following reasons:

- I. Privileged attorney/client communication under RCW 5.60.060(2) including:
 - A. Communication from client to attorney to obtain legal advice.
 - B. Communication from attorney to client to provide legal advice.
 - C. Communication between attorney and client about litigation.
- II. Health care information related to a patient under RCW 72.02.020.

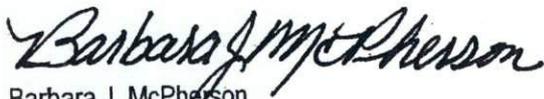

Christopher J. Hupy

III. Personal, identifying information under RCW 42.56.230(1).

If you disagree with any denial of records under your request, you may ask for review under WAC 388-01-130(1) by writing to Marcine Stevens, Public Disclosure Appeals Officer, Children's Administration, P.O. Please let me know if you have any questions.

So far, it has only been his statements that tie him into the King County Juvenile Center and the issue is why he historically had the run of the place. He also referenced to me a series of 'uncles' that substituted for his father. I would like to verify that.</i><i>2) I have reason to believe that a misconduct charge or even a criminal charge was brought against him in the summer of 1966 as a result of his assault on a student at the U/W for the 1965-66 school year. There should be references to it just from an employment standpoint. I can identify the student and provide proof he is deceased (1981). It may have not been resolved until as late as 1973-4. The importance of this is that it would corroborate what I am terming the pedagogical process. Also it should be referenced in the 1985 SAG investigation previously cited.</i><i>3) Any memorandum associated with his term at Bellevue Community College and his transfer to the U/W. I believe the president of BCC or someone on the Board had expressed discomfort with Little around and requested his re-assignment. Also, don't see how his transfer to U/W to the VP, Student Affairs could have been accomplished without high level discussion and approval. I am looking for references from Board of Regents approval or</i>

Also, it's a concern of mine that there was no material in the archives with Gary Little's name on it. It would be normal to have something, even a cc of a memo, which makes the BCC B/Trustee minutes all the more interesting. I would think it disturbing that the response from 1993 request stated they had no idea who his boss was.</i></p> <p><i>Please consider the above items a formal request. Given the past response from the Office, which I do not hold the current Office responsible for, yet wanting to avoid a repeat of the experience, I think the first step would be to negotiate a research process whereby I have confidence there is a good faith effort being made. I consider good faith a function of leadership. Please feel free to advise me accordingly.</i></p>
